IT SHOULDN'T HURT TO BE A CHILD

COMMUNITY ROOF SIT FOR KIDS 2024 September 8-13

Celebrating 30 years of...

"Because It Shouldn't Hurt to Be a Child."

This year marks the **30th Annual Community Roof Sit for Kids** and we couldn't do it without you, the community, our partners, supporters, angel investors, donors, and volunteers. Because of you, we are able to provide prevention education to children in every school district in St. Clair County. And, through our child advocacy center, we conduct over 300 forensic interviews of alleged child sexual abuse and severe physical abuse victims each year. We also provide advocacy, trauma education, and child-centered, trauma-focused therapy for victims and their families all at NO CHARGE to them.

Community Roof Sit for Kids will once again be held at the *MiMutual Mortgage* building at Military & Water Street, in downtown Port Huron and will kick off on Sunday, Sept. 8th at 3:00 pm with **Sunday Funday**. You won't want to miss this free fun family event, see details on page 3. Then, at 5:00 pm, **Matt Markham, Radio 1st/Q Country 107's** radio personality will be lifted to the rooftop where he will live in a tent and broadcast live until Friday, Sept. 13th at 6:00 pm.

We are grateful for the support and dedication of Matt & the Radio First team! Matt has endured heat, cold, wind, rain, storms, and bees, all with a smile while urging his listeners: **"Lets get those phones ringing!"** Along with news and music, Matt will host dozens of interviews with people throughout the County who are involved with the Child Abuse & Neglect Council. Listeners will learn about our programs and services, our amazing community partners and investigative team, and how they can help. Please join us throughout the week and show your support for the Children of St. Clair County. Volunteers will answer the phones, and a dedicated drop off lane out front makes donating easy, just pull up, roll down your window, and a volunteer will come out to you. Our **TEXT 2 GIVE** platform means you can donate from anywhere, anytime, learn how below. This event provides 40% of our annual budget and allows the entire community to engage in supporting our work and our shared belief that "It Shouldn't Hurt To Be A Child"

Thank you all for your generosity and support!

PLEASE HELP IF YOU CAN!
